

# Directions to Linearizer Technology From Philadelphia Airport

Take the I95 Northbound from the airport through the city and continue North crossing the Delaware River into New Jersey at the Scudders Falls Bridge. Continue on I95, it will change names to I295 Southbound at Route 1, for about 11 miles beyond the bridge to Exit 65A. Leave I295 at Exit 65A, Sloan Ave. Eastbound.

Proceed East on Sloan Ave to the second traffic light, Quakerbridge Rd, and turn left. Pass the big tree in the middle of the road and the traffic light. Make the next left onto Nami Lane.

Linearizer Technology is located in the second complex on the left, in Quakerbridge Business Park, Unit C-9.
